EL HACEDOR
B O D E G A S

BODEGAS EL HACEDOR was born from the passion of our team for the world of wine, to create unique wines of the highest quality, differentiated and sustainable, backed by a professional team with more than **25 years of experience**.

Welcome

The name **EL HACEDOR** (The Maker) reflects our philosophy of life.

We are **MAKERS (We make things happen)**.

We are **CREATORS**.

We like to do things and do them well for a long time...

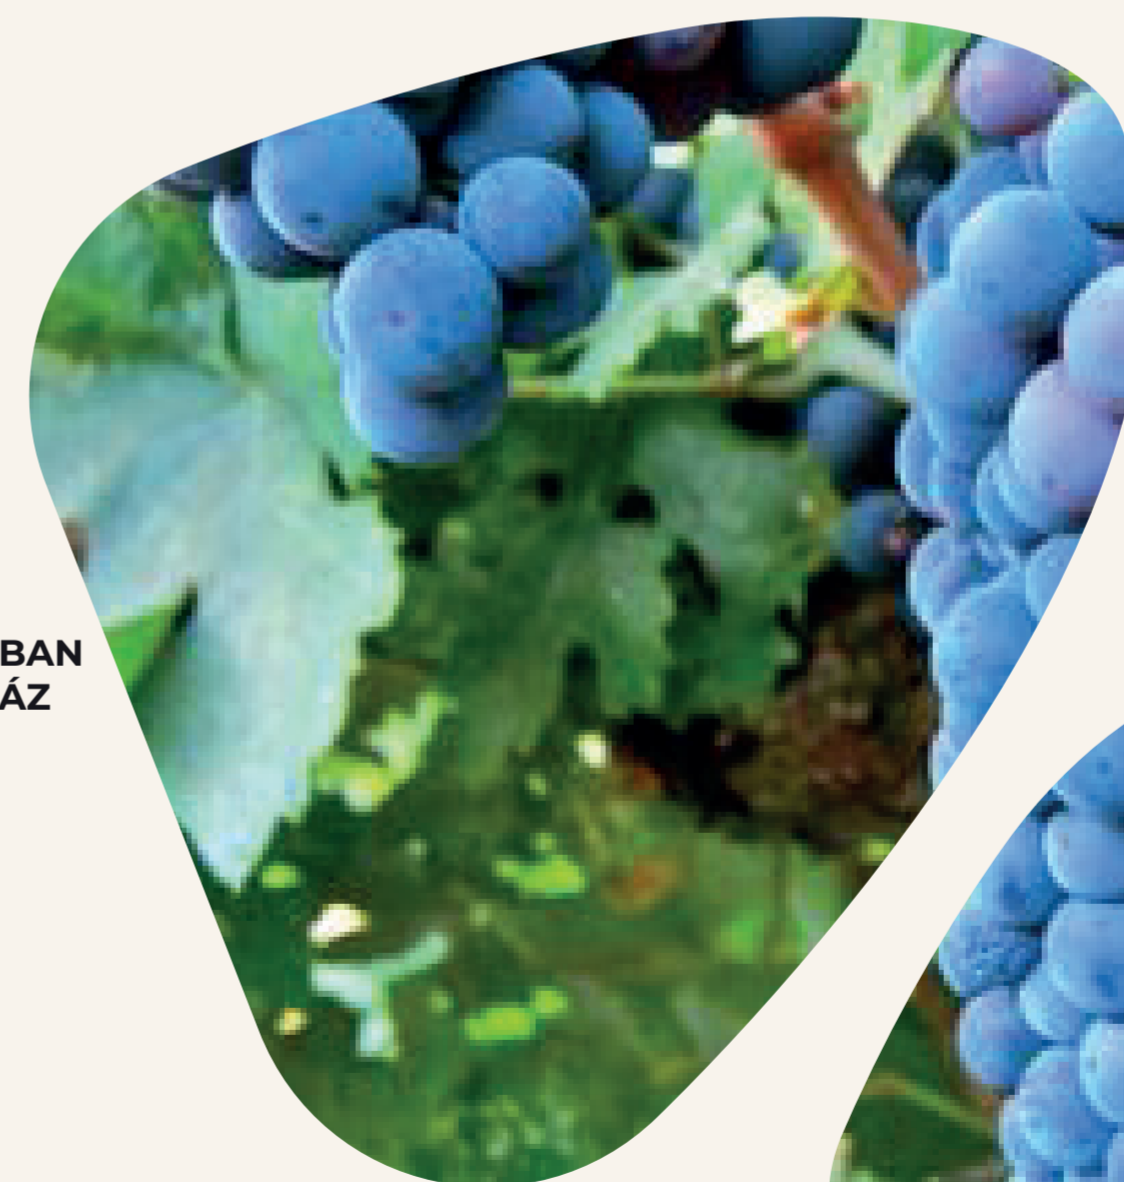

02

EL HACEDOR
B O D E G A S

The origin is our grape, which gives the wines from **BODEGAS EL HACEDOR** its unique personality and consistent premium quality. Our vineyards spread out through the entire **Ribera del Duero DOP**, allowing us to take advantage of the richness, diversity, and different evolution of our vineyards.

The origin

03

DOP Ribera del Duero

We have 45 hectares of vineyards between **860 and 960 meters** of altitude from more than 25 carefully selected parcels in different soils and orientations throughout **Ribera del Duero DOP**.

Our grape

We have **TEMPRANILLO grapes** from century-old bush-vine, carefully selected high altitude trellised vineyards, parcels with perfect climate and soils for our **MERLOT grapes** and **TEMPRANILLO ORGANIC grapes** vineyard for our wines with organic certification.

We also have 3.5 hectares of **GODELLO grapes** vineyards for our white wine, **Val de Vannos (IGP Tierra de Castilla y Leon)** in Cubillas de Santa Marta (Valladolid).

EL HACEDOR

B O D E G A S

Tradition and Technology

Our vintners are young professional winegrowers with a **family tradition of several generations**, who carry out, with their teams, the work on the vineyards with great pride, dedication, and care. Backed by our oenologist they carefully monitor the evolution of the vines and ensure that our grapes will be in the best conditions when the time of the harvest has come.

Vineyards

Having these **experienced teams**, allows us to optimize the quality of the grapes and make a careful grape selection in the vineyard. We carry out **artisanal** handpicked harvest for our old bush vines and use topnotch **technology** both, in the vineyards and in the winery.

Obtaining wines of the **best quality** is our motto, and that is why we need to have the best facilities for winemaking, maturing and aging of our wines.

Chema Velasco, our oenologist, makes our wines in **our new winery** of Quintanilla de Arriba (Valladolid) in the center of the “Golden Mile” of the Ribera del Duero.

Excellence

Chema has extensive **work experience**, starting his career with **Mariano Garcia** at the iconic Bodegas Mauro, and has made wines in the DOP Cigales, **DOP Ribera del Duero** and the extreme **climate area of DOP Valtiendas**, as well as, in other countries like France and Serbia.

This winery, made with the latest top-notch technology, will allow us to improve our production capacity and, above all, to mature and age the wines in optimal conditions in an innovative, efficient and completely sustainable facility. With these excellent means and resources, we make our wines, with the minimum possible intervention. Our wines age in **new and used oak barrels** from **the best French cooperages**, both **French oak (90%)** and **American (10%)**, to achieve the perfect blend of soft but intense fruity wines, with the precise mix of oak to be able to appreciate the quality of our grapes, resulting in round, balanced wines, that will age outstandingly in the bottle.

Excellence

We are proud to share with you our remarkable market landing in the world of wine as we have obtained, in all our wines, **significant awards and qualifications** in some of the most valuable worldwide contests.

AWARDS RECEIVED.

 M de Montevannos - Harvest 2022

Montevannos Roble - Harvest 2022
 Montevannos 33 Líneos - Harvest 2022
 Montevannos Majuelos - Harvest 2022

Our **new winery in Quintanilla de Arriba (Valladolid)** is a huge step forward to fasten our relentless commitment to excellence. Built with an innovative design our facilities combined efficiency and sustainability, **avoiding any environmental impact**, while keeping all the quality requirements in products and procedures. Any detail has been designed to create a unique environment, where **tradition and technology meets**, creating unique wines.

Winery

EL HACEDOR
B O D E G A S

We create soft wines with character where the **wood is subtly integrated** to enhance the purity and freshness of the fruit.

Balanced in the mouth, round and without edges, thus allowing wines to evolve magnificently in the bottle, **developing complexity and elegance over time.**

MONTE VANNOS

33 LINEOS

D.O.P Ribera del Duero
Vintage 2022 – 16 months in barrels

This year's harvest was completed with normal temperatures, so the weather conditions allowed, in general, a good development of the vines. Ripening was favoured by the absence of rainfall since the beginning of September and the diurnal temperature swing was high, as normal for this area, favouring a calm maturation despite some periods with heatwaves. The grapes arrived with an ideal ripeness and a perfect state of health for its vinification.

Data Sheet

10

Grape Varieties:

Tempranillo 95% and Merlot 5%.

Terroir: Wine made from exceptional selection of Tempranillo grapes from 33 specially chosen rows in our three pagos "La Marquesa", "La Travesaña" and "La Marota" in Quintana del Pidio with addition of Merlot grapes from the Valdepalacios estate, in Anguix. All the vineyards are found at an altitude between 820-845 m, where pebbles and sandy-loam soil predominate. The age of the vine is 40 yrs old for the Tempranillo and 20 yrs old for the Merlot.

Maturation:

Aged for 16 months in American (25%) and French (75%) oak barrels, - new, and second and third year.-

Appearance:

Its striking ruby colour with purple hues stands out, brilliant and deep.

On the nose:

Intense, well defined and complex aromas of mature red and black cherry, plum, blackberry with emerging spices, like clove and vanilla and toasted bread from the barrel maturation.

On the palate:

The wine is full bodied, expressive, fresh and intense, with firm and soft tannins and an attractive balance between its aromatic intensity, freshness and body. It is a long, persistent and elegant wine that invites for more.

Analytical Data

Alcohol content:	13,8 % vol.
Volatile Acidity:	0,60 gr/ml.
Total Acidity:	4,88 gr/ml.
Reducing sugars:	0,44 gr/l.
Free Sulphur:	8 mg/l.

MAJUELOS SELECCIÓN

D.O.P Ribera del Duero
Vintage 2022 – 12 months in barrels

This year's harvest was completed with normal temperatures, so the weather conditions allowed, in general, a good development of the vines. Ripening was favoured by the absence of rainfall since the beginning of September and the diurnal temperature swing was high, as normal for this area, favouring a calm maturation despite some periods with heatwaves. The grapes arrived with an ideal ripeness and a perfect state of health for its vinification.

Data Sheet

11

Grape Varieties:

Tempranillo 95% and Merlot 5%.

Terroir: The grapes come from selected "majuelos"; vineyards with Tempranillo grape with 40+ year old vines from Hontangas, San Juan del Monte and Quintana del Pidio, and Merlot grapes +20 year old vine from Valdepalacios. All vineyards are located at an altitude between 825-850 m and planted, where pebbles and calcareous soil predominate.

Maturation:

Aged for 12 months in French (75%) and American (25%) oak barrels, new, and second and third year.

Appearance:

Its bright and deep ruby colour stands out.

On the nose:

You will find intense and well defined fruit aromas of black fruit, like plum, cherry and blueberry, well integrated with subtle notes of oak, like vanilla and coconut, toasted bread and spices like liquorice and cinnamon.

On the palate:

The wine is full bodied and well balanced with smooth tannins and fresh acidity. The persistent aftertaste leaves a blend of sweet fruit, spice and oak, where some chocolate and coffee notes appear at the end. It is a persistent and fresh wine.

Analytical Data

Alcohol Content:	14,1% Vol.
Volátil Acidity:	0,65 gr/ml.
Total Acidity:	5,1 gr/ml.
Residual Sugars:	0,37 gr/l.
Free Sulphur:	8,0 mg/l.

ROBLE

D.O.P Ribera del Duero
Vintage 2022 - 6 months in barrels

This year's harvest was completed with normal temperatures, so the weather conditions allowed, in general, a good development of the vines. Ripening was favoured by the absence of rainfall since the beginning of September and the diurnal temperature swing was high, as normal for this area, favouring a calm maturation despite some periods with heatwaves. The grapes arrived with an ideal ripeness and a perfect state of health for its vinification.

Data Sheet

12

Grape Varieties:

Tempranillo 95% and Merlot 5%.

Terroir: The Tempranillo grapes come from San Juan del Monte and Quintana del Pidio, and the Merlot, from Anguix. They are planted at an altitude of 850 meters above sea level, mainly in sandy loam soils, where pebbles predominate.

Maturation:

After vinification in stainless steel tanks, wine rested in tanks for three months before being transferred to American (25%) and French (75%) oak barrels - new, and second and third year - where it remained, for a period of six months.

Appearance:

Its intense ruby colour with purple hues stands out, clean and bright.

On the nose:

You find an attractive blend of fruit aromas of such as strawberry, red and black cherry and black plum together with cream and oak, like subtle aromas of vanilla, coconut, roasted coffee and some spices.

On the palate:

The wine has a good body with integrated aromas, sweet tannins and well balanced alcohol with fresh acidity. It is persistent and marked by the style of modern wines.

Analytical Data

Alcohol Content:	13,9% Vol.
Volátil Acidity:	0,71 gr/l.
Total Acidity:	5,5 gr/l.
Residual sugars:	0,06 gr/l.
Free Sulphur:	11 mg/l.

M De MONTEVANNOS Crianza

D.O.P. Ribera del Duero VINTAGE 2023

The 2023 harvest at D.O.P. Ribera del Duero was rated as very good, despite being a complex year due to the weather. The rains in September allowed the ripening to be completed correctly, resulting in high quality grapes with a good balance between acidity and alcohol content, which will give rise to complex, structured and ageing wines.

Data Sheet

13

Grape variety:

100% Tempranillo grapes with Organic Certification.

Terroir: Our Tempranillo grape comes from a selection of vineyards called Aldimuños, La Cueva, Alto Pinilla, El Campillo Viejo and El Campillo Joven, which are located in the municipalities of Hontangas and Adrada de Haza in the province of Burgos. The altitude of the vineyards is located between 822-908 meters above sea level and limestone soils dominate.

Maturation:

The first week of November 2023, fermentation in stainless steel tanks was finished and the wine was racked into French oak barrels: 50% new and 50% used, where it was matured for 12 months, before being bottled in December 2024.

Appearance:

The wine has a deep red purple colour, clean and bright.

On the nose:

On the nose it has intense and complex aromas, highlighting a mixture of aromas of fruit, like black cherry, blackberry, plum, blackcurrant leaf and forest floor as well as notes from aging in barrels, such as vanilla clove, toast and light chocolate traces.

On the palate:

On the palate, it leaves a fruity taste with fresh acidity trace, smooth alcohol, and good body, with an attractive presence of tannins that gives a great structure. It is a wine with its own personality, with a long finish where the complex aromas linger. It is a unique and modern style of wine that promise a great aging potential.

Analytical data:

Alcohol content:	12.5 % Vol.
Volatile acidity:	0.39 gr/l
Total acidity:	5.27 gr/l
Residual sugars:	0.03 gr/l
Free sulphur:	10 mg/l

OPIMIVS

Our signature wine

D.O.P Ribera del Duero
VINTAGE 2022

The growing season ended with fairly normal temperatures, just slightly warmer than usual. The first winter frosts took place by the end of November and the weather conditions generally allowed a favourable winter dormancy of the vines.

The conditions for berry ripening were favoured by the absence of rainfall from the beginning of September to mid-October with sunny days and a very large diurnal range with cool nights. Harvest conditions were optimal and have given grapes with very high quality, ideal ripeness and in a perfect state of health.

Data Sheet

EL HACEDOR

B O D E G A S

Grape variety:

Selected Tempranillo grape from unique old vineyards, planted in 1940, 1955, 1960 y 1970 in San Juan del Monte, Hontangas y Quintana del Pidio (Burgos) located at an altitude of 850 meters.

Maturation:

16 months in new French oak barrels from the best French cooperages (Cadus, Nadalie and Vicard).

Appearance:

Wine with a deep ruby red, clean and brilliant.

On the nose:

A wine with a complex bouquet of well-integrated fruity aromas such as raspberry, strawberry and blackberry, together with aromas from its oak accurate maturation like cedar, toffee, chocolate, toast, tobacco.

On the palate:

We find a full-bodied wine with primary flavors like cherry and plum, oak-aromas of vanilla, toast bread, cedar and some savoury and mineral notes, nicely integrated. Its and elegant complex wine with silky texture and smooth tannins with a long finish. Wich will develop wonderfully in the bottle.

Analytical data:

Alcohol content:	13.7 % Vol.
Volatile acidity:	0.67 gr/l
Total acidity:	5.3 gr/l
Residual sugars:	0.32 gr/l
Free sulphur:	8 mg/l

Val de Vannos

Godello sobre lías

I.G.P. Vinos de la Tierra de Castilla y León
Harvest 2024

The campaign was completed with high temperatures, extreme drought, and some episodes of spring frosts in the area, which meant a significant reduction in the harvest. Even so, we harvested 5.500 kg. of "Godello" grapes that arrived with an ideal ripeness and a perfect state of health for its production.

Data Sheet

Variety:

Godello.

Terroir: Single vineyard, Pago El Rodadero (2019) de 1.5 Ha located at 842 m altitude in Cubillas de Santa Marta (Valladolid).

Vinification:

Fermentation in stainless Steel tanks and maturing on its fine lees for 3 months.

Appearance:

Lemon color with a medium intensity, clean and bright.

On nose:

We will find aromas of lemon, stone fruit like peach, and some tropical notes of pineapple and a slight mineral touch.

On the palate:

It's a youthful wine with a medium body and balanced acidity, where stone fruit dominates the flavour aromas with a slight touch of bitter almonds on the finish. The wine is light, and fresh.

Analytical Data

Alcohol content:	12.4% vol.
Volatile Acidity:	0.28 gr/l.
Total Acidity:	5 gr/l.
Residual Sugar:	0.10 gr/l.
Free Sulphur:	6 mg/l.
