MONTE VANNOS

ROBLE

D.O.P Ribera del Duero

Vintage 2024 - 6 months in barrel

The 2024 harvest in Ribera del Duero was rated as very good, despite being a complex year due to the weather. The rains in September allowed the ripening to be completed correctly, resulting in high quality grapes with a good balance between acidity and alcohol content, which will give rise to complex, structured and aging wines.

Grape Varieties:

Tempranillo 95% and Merlot 5%.

Terroir: The Tempranillo grape comes from San Juan del Monte and Quintana del Pidio, and the Merlot from Anguix. The vineyards are located at an altitude of 850 meters above sea level and planted in sandy loam soils, where pebbles predominate.

Maturation:

After vinification in stainless steel tanks, wine rested in tanks for three months, before being transferred to American (20%) and French (80%) oak barrels - new, second and third year - where it remained, for a period of six months.

Appearance:

The wine has a bright and clean ruby colour.

On the nose:

On the nose you find a mix of red and black fruits, where notes of strawberry and blackberry and, stand out as well as well integrated subtle notes of oak, such as vanilla, coconut, toast, and some spices.

On the palate:

The wine has a medium body with a fruity sensation and a fresh acidity, balanced with soft tannins well integrated. Its aftertaste is marked by the style of modern wine, pleasant to drink that invites to a second glass.

Analytical Data:

Alcohol Content:	13.40 % Vol.
Volátil Acidity:	0.52 gr/l.
Total Acidity:	5.34 gr/l.
Residual sugars:	0.31 gr/l.
Free Sulphur:	10 mg/l.
